## Bellevue Updates

The leaves are falling, weather is getting colder, and fall is officially here. This season brings about many fun activities and lots of learning for the students at Bellevue Elementary.

October brought forth Parent-Teacher Conferences, Red Ribbon Week, the annual Harvest Carnival, and Halloween. Thank you to all the parents and guardians that attended your child's Parent-Teacher Conference.

Also, thank you to all the families that donated, volunteered, and attended the Harvest Carnival. It was a lot of fun!

November comes with more education and of course, a few fun activities too. Most notably, November 17<sup>th</sup> will be the school's annual Turkey Trot. Families are invited to watch their children race for a chance to win a t-shirt or medal! Also on that day, we will be having a Thanksgiving Feast in the cafeteria. Families are invited to eat with their child, but please note if you plan to eat, you must pre-order a meal. Cost is \$3.25 for adults and \$2.75 for children. You must order a meal by November 8<sup>th</sup>, 2017. If you do not order a meal, you are still welcome and encouraged to come eat with your child at school!

## After School Program

After School Program and Bellevue School are two separate entities. If you add someone to the emergency contact list in After School Program it does not automatically get added to the school list and vice versa. Please be sure to add all contacts to both places. Thank you!

Also, please remember that the After School Program Musical, *\*Dear Edwina*, will be on November 15<sup>th</sup> and 16<sup>th</sup> at 6:00 pm. We hope to see you there! \*Donations will be accepted for admission.

## *Teach Integrity At Home*

Help your child learn integrity by doing  
these things:

- Know What You Stand for So Your Child Knows
- Walk Your Talk
- Share Your Moral Beliefs and Take Stands
- Ask Moral Questions to Stretch Moral Development
- Boost Empathy
- Reinforce Assertiveness Not Compliance
- Give your child tasks to do without supervision and see if they can accomplish them on their own
- Never tolerate lying
- Offer to help neighbors or people in the community
- Tell the truth even when it is difficult
- Keep your promises
