## BELLEVIEW UPDATES

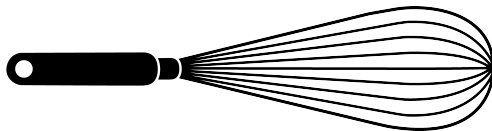

February will be a very busy month at Belleview. Please be sure to mark your calendar as we have many holidays and a few minimum day switches.

With so many holidays this month, we also want to remind you the importance of having your child on time and at school each day. Our teachers work hard to provide students with hands-on, in-depth, and unique learning experiences. When your child is absent, they miss out on what is being taught along with some really fun and memorable lessons. If your child is sick, it is a great idea to call or email both the school and the teacher so that the child's absence can be marked and the teacher can prepare a modified lesson and work for your child.

State testing is just a few months away for our 3<sup>rd</sup> through 8<sup>th</sup> graders and being at school will help them to be confident and prepared for the test!

## Serving Up Some Fresh Reminders

Just a friendly reminder that breakfast is served from 7:30 a.m. until 8:10 a.m. Your child should be in the cafeteria early enough to eat and leave the cafeteria at 8:10.

All school lunch orders need to be in 9:30 a.m. each day. If your child is going to come to school after 9:30 a.m. and they are having a school lunch, please be sure to call the school before 9:30 a.m. and order the lunch. This will ensure the cafeteria cooks enough food for all our students! Thank you for your help and understanding!
