Bellevue Updates

It is March, which means Spring Break is right around the corner. We at Bellevue would like to remind you of a few things as we approach break. Please make sure you are reading with your child every

night. This greatly improves a child's vocabulary, reading comprehension, spelling, fluency, writing, imagination, and standardized test scores. Along with reading at home, please try to have your child at school every day. If your child is going to be absent, make sure you or your child get their absent work.

Do You Want to Get More Involved At School?

Calling all Parents! Do you want to get more involved at school or in your child's education! A few great opportunities are coming up this month! Every month you can attend our Parents' Club or School Site Council Meetings. Share your ideas on how to raise money, promote new fun activities, and encourage other parents just like you! You can also attend Board Meetings each month to hear about different decisions and policies that effect the school. Lastly, if you don't want to attend a meeting, talk to your child's teacher about helping in the classroom. Many opportunities are available including: working with a small group, leading a lesson, making copies, etc. We want you to help make your child's education memorable, so come get involved!

Teach Your Children to have Perseverance at Home!

Help your child learn to persevere at home by doing a few of the following:

- Encourage your child to try new things
- Adjust the degree of perseverance needed
- Share some instances when you've needed perseverance and grit to accomplish a difficult task
- Be overt
- Be there for them when they do struggle or fail
- Encourage them
- Use Positive Sayings like, "I can't do it *yet*."

Please Remember!

1. When sending in money for field trips or other things, please try to send in exact change. Teachers and the office often do not have change.
2. If you are going to pick your child up early from school, please send them to school with a note for their teacher as to what time you want them in the office.
3. Remember attendance is so important! Try and have your child at school every day!
