Bellevue Updates

Welcome Back! We hope you had a wonderful spring break! Can you believe there are only 50 days left of this school year? Please remember that with so few days left, your child's attendance is extremely important. Along with

many fun end of the year activities, state testing will begin soon and we want your child here for all of it!

Also, this month brings about Kindergarten Registration! On April 26th, our future kindergarteners and TK students have the opportunity to come register and meet their teacher! If you know of anyone that has future Bellevue Eagles, please have them call the office to make an appointment.

As always, thank you parents and guardians for all you do to support your child and the school. We appreciate you!

ATTENTION!

A few great opportunities are coming up this month! Every month you can attend our Parents' Club or School Site Council Meetings.

Share your ideas on how to raise money, promote new fun activities, and encourage other parents just like you! You can also attend Board Meetings. We want you to help make your child's education memorable, so come get involved!

Calling All FUTURE Eagles!

Registration is on April 26th for all kindergarten and transitional kindergarten (TK) students. For the school year 2018-2019, children entering TK must be five years old on or before December 2, 2018 and children entering kindergarten must be five years old on or before September 1, 2018.

Families are invited to come and find out about all the great things going on at Belleview School. They will also have an opportunity to meet the teacher, Mrs. Sooter, and learn about the exciting world of kindergarten!

Please call the school office at 586-5510 to make an appointment!
We can't wait to meet you!

Thank you to ALL who helped
make the Book Fair a
success!

Teach Your Children to be Considerate at Home!

Help your child learn to be considerate at home by doing a few of the following:

- Model being considerate and kind in all your relationships
- Praise your child and show appreciation for their kindness
- Avoid allowing your child to put others down
- Encourage your child to display kind acts
- Aim to try and catch your child being considerate and then praise them
- Give your child responsibility for their own actions, choices, and behaviors
- Have them imagine being in someone else's shoes
- Show them how to give people the benefit of the doubt
- Build up others
- Listen, rather than immediately contradict
