Bellevue Updates

The end of the school year is quickly approaching. There are many important events coming up, so please take a look at the important dates listed on the first two pages and mark your calendars right away. We would hate for you to miss anything. There are a number of fun

activities coming up that will need you to return permission slips. Please send these in as soon as possible to help us get prepared. We hope that you, parents, families, guardians, and friends, will attend as many events as you can! The students love seeing their family members at school and sharing special days and activities with them.

Also, remember this month is Teacher Appreciation Week, so show your teacher some appreciation! We appreciate you parents and guardians for all you do for our students and for our school! Thank you for making Bellevue great!

California Assessment of Student Performance and Progress

State Testing begins Monday, April 30th for ALL 3rd through 8th Graders. These tests are extremely important for your child and our school! If your child is late for the test, they will not be allowed to enter the classroom during testing, so please make sure they arrive on time!

Help Your Child be Successful on their Testing by:

- Make sure they get plenty of sleep the night before
- Feed them a well-balanced and healthy breakfast
- Make sure they are at school on time
- Encourage your child to do their best and not rush
- Do not schedule appointments on these days

Do You Have A Child in Kindergarten, First Grade, or Sixth Grade?

Your child may be in need of immunizations or a physical in order to start school in 2018-2019.

All children must be current in order to begin school next year. There will NOT be a 30 day grace period. Please be in contact with the School Office at 586-5510 Ext. 0.

Teach Your Children That Learning is Fun!

Help your child learn to value and love their education at home by doing a few of the following:

- Model good reading, by reading to your child every night
- Involve your child in cooking, explain how it is math
- Ask your child to read you signs as you drive
- Have your child practice paying for things in stores or at restaurants
- Have your child teach you something they learned at school
- Discuss the importance of school and learning
- Be positive

Calling ALL Families

Eagle Day and the Silver Spur Field Trip are Coming Up! We would love to see all our Eagle families at both events having fun with their kids!
