*Basic rules include, but are not limited to:

Show respect to others.

NO verbal or physical abuse. (Bullying or harassment behaviors will not be tolerated)

Inside activities require walking and inside behavior.

Compliance with staff direction.

*When students violate discipline policies, parents will receive notification listing concerns so situation can be discussed at home.

*Strategies staff will use include, but aren't limited to:

Positive redirection

Direction to another activity

Direction to take a break for a "cool down" period

If behavior continues, child may be sent home

If behavior problems persist after the 3 day suspension the child will be dropped from the After School Program.

If we are experiencing a problem with a child's behavior, it may be necessary to use different steps, including termination from the program, possibly in an accelerated manner. Parents will be notified in writing of any such change.

**BELLEVUE ELEMENTARY SCHOOL
AFTER SCHOOL PROGRAM HOMEWORK POLICY**

During our homework support time, we will be encouraging students to be as independent as possible to get their work done.

After school staff will assume the role of homework coaches and help students by clearly communicating what is expected of them during homework time. After school staff will also communicate regularly with classroom teachers to ensure appropriate assignments are being completed.

- All students enrolled in the program will receive homework support every day.
- ASP staff will note feedback as needed on assignment worked on in ASP.
- If students do not have specific a homework assignment from their classroom teacher they will be expected to select one of the alternative academic options and begin working on the activity independently.
- ASP Staff will not correct homework. They will assist students with problems when the student raises their hand silently. If a student has continuous problems understanding how to complete their homework assignments, ASP staff will notify parents so arrangements can be made for alternative support.
- Academic time will be quiet for the benefit of all students.
- ASP classrooms will be stocked with standard supplies. Students must provide supplies needed for special assignments.
- Any student who refuses to follow academic expectations (Crying/ arguing/ interfering with the other children learning) will subject to disciplinary action up to / including termination from program.
- Students will have access to technology as needed during the academic hour. Grades 6-8 will have access to chrome books.

*We appreciate your support in helping us implement
the homework policy.*
