- Students shall not use the system to threaten, intimidate, harass, or ridicule other students or staff, such as bullying, including cyberbullying, hazing or initiation activity, extortion, or any other verbal or written conduct that causes or threatens to cause bodily harm or emotional suffering.
- Students shall not disclose, use or disseminate personal identification information about themselves or others when using email or other forms of direct electronic communication. Students are also cautioned not to disclose such information by other means to individuals located through the Internet without the permission of their parents/guardians.

The Bellevue School District does not condone the use of such materials.
