Prizes earned from the Read-A-Thon and the Parent Club gifts to the top readers will be handed out at the Friday flag pole on the 28th

**4. Pizza Night**

Received \$175 from this month's pizza night at the Pizza Factory. Next Pizza Night is November 9th.

**5. Pizza Factory Card Fundraiser**

The girls Basketball Team and the 6-8<sup>th</sup> grade Cross County runners raised \$630 selling Pizza Factory Cards. We still have four individuals who haven't turned in their cards/money so we may have more. We have more cards and may have the next sport continue to sell them.

**6. Harvest Carnival**

Still have a few open slots for volunteers. All the trick or treat doors are covered and the Cedar Ridge Ladies Auxiliary will be sending four volunteers to help. We have had a few cake donations- Sarah volunteered to check in with the local grocery stores as we haven't heard anything back from them. Christy will have tickets available for presale before school on October 26<sup>th</sup> and 27<sup>th</sup>. The school received a basket from Chicken Ranch Casino that will be used as a door prize, along with a check for \$750. \$250 of that is going to the school for the Turkey Trot and the remaining \$500 to the Parents Club for the Auction Dinner.

## **7. Auction Dinner Update**

Discussed the need to continue to reach out to local businesses for donations and add them to the Google Doc list. Christy will put together a new letter specifically for the dinner. Waiting to hear back on a price quote on cupcakes.

## **8. Other Items**

- Pie Fundraiser coming in November- Shawn is currently working out the details.
- Discussed getting sponsorships for this year's Jog A Thon and what that would look like. Used examples received from MLCS and Gold Rush Charter. April will work on getting general pricing together. It was mentioned that prior to Covid, Sierra Flow had reached out about a sponsorship in connection to the Jog A Thon- we will reach back out to them.
