2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

About Our School

The Bellevue School District is committed to providing a successful school experience for all students. Our mission is to ensure all students have meaningful learning experiences, empowering them to succeed in an ever-changing world! Our vision is that the Bellevue School community will promote academic excellence and build positive character. Instruction is based on the Common Core State Standards adopted by the State of California. At Bellevue Elementary our students' success and positive school culture is at the center of all we do.

BELLEVUE SCHOOL DISTRICT DESCRIPTION

Bellevue School District is a rural, single-school district nestled in a beautiful mountain setting on the west slope of the Sierra Nevada Foothills. Bellevue Elementary School, often referred to as "The Jewel of the Sierras," is a wonderful place to learn. The district serves approximately 175 students in grades Preschool through 8th grade. Bellevue benefits from a very supportive community and strong parent involvement working together to ensure the success of all students. The Bellevue staff provide an excellent opportunity for students to learn. In this small school setting, teachers know their students well and that students experience and optimal learning environment while at Bellevue.

The district employs outstanding, highly qualified educators devoted to teaching students the Common Core State Standards and providing engaging experiences. All of Bellevue's teachers meet the Highly Qualified definition of No Child Left Behind. Teachers participate in staff development activities and collaborate on minimum days to promote school-wide planning and articulation between grade levels. The Common Core State Standards have been fully implemented. Math curriculum aligned with the CCSS was formally adopted in 2014-15 and is undergoing another review this year in anticipation for a new upcoming adoption. ELA curriculum aligned with the CCSS was adopted in 2016-2017, Social Studies curriculum was adopted in 2018-19 and Science was adopted in 2019-22. Bellevue staff worked together to implement the new standards and many staff members became mentors in the county on the integration of Common Core concepts in the the classroom and participated in STEM tracks. A team was trained last year in the Next Generation Science Standards (NGSS) and the Science Test will be administered with CAASPP this Spring.

Bellevue has professional classified staff members working in the preschool, classrooms, library, office, cafeteria, playground, After School Program, and in maintenance, operations and transportation. All staff work together towards a common goal of ensuring Bellevue students reach their maximum potential. Bellevue Elementary School is proud to offer the following programs: Preschool, small class sizes, self-contained classrooms, Character Education, Responsive Classroom, counseling services, after school sports, Student Council, and a quality After School Program. All of the Bellevue Elementary School classrooms have iPads or Chrome Books 1:1 for every student. Technology is incorporated into all aspects of the curriculum and classrooms are equipped with DocuCams, projectors and Apple TVs.

BELLEVUE SCHOOL DISTRICT VISION STATEMENT:

"The Bellevue School Community will promote academic excellence and build positive character."

BELLEVUE SCHOOL DISTRICT MISSION STATEMENT:

"Bellevue will ensure that all students have meaningful learning experiences, empowering them to succeed in an ever-changing world!"

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument. The school facility is in overall good repair.

Maintenance and Repair: The District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. During the summer of 2014, the carpet in the school office and library were replaced and some of the older HVAC units were replaced. Trees have been removed, buildings painted, brick work completed, septic system and roof repaired, and a playground remodeling project was completed. During the summer of 2016, a new playground was installed, the primary wing was painted and had new carpet and linoleum installed. A retaining wall was replaced in the Spring of 2016 to repair damage caused from the winter storm and the pavement was excavated and replaced due to tree root damage. Fencing was removed in some areas to open up to make the new playground more accessible and fencing was installed in some areas for safety reasons. Trees were removed that were causing damage to the pavement. Dead trees that were a safety risk were removed by the County in Winter 2016 and 2017. Plumbing repairs and replacement of drinking fountains have been installed. During the Fall of 2016, an energy audit was completed and plan developed to utilize the Prop 39 funds to upgrade lighting and HVAC units on campus. All HVAC and LED lighting was installed with Prop 39 funds in 2016-17 and will continue with additional Prop 39 funds allocated in 2017-18. A new roof, a bike path on the primary playground and additional fencing was installed in the summer of 2017. A new classroom was added in the summer of 2017 with State-of-the-art technology. In the summer of 2018, bathrooms were remodeled, drainage/irrigation on the field was improved upon, a roof was installed on the gray building, flooring was replaced in 2 classrooms and wood rot repair and other general maintenance of the facility and campus was performed. In the summer of 2019, all portables had dry rot repair and were painted. Two additional classrooms were added due to an increase in enrollment. New flooring was installed in three classrooms. Roof and deck repair, and a new awning were installed on the "gray building" - teacher's workroom and lounge. The trim was re-painted in the cafeteria and a mural was added as the 8th grade project. In addition there were plumbing and HVAC repairs completed, repaving of blacktop on the upper basketball courts and re-striping in the parking lot. In the summer of 2020, Plexiglas barriers were installed and hand sanitizer stations. Continued repairs/replacements of HVAC units. A new generator was purchased and installed in 2020-21 to maintain the food quality during PSPS events. In 2022-2023, new carpet was installed in 4 classrooms, new wood skirtings were replaced on 5 entrance ramps to portable classrooms, and repairs were completed on two wood enclosures around heating units.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	23	43	23	43	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Communication between home and school is regular, two-way and meaningful.

- Newsletters are sent home to inform parents of upcoming events and important information.
- The school website is updated and promoted for student and parent communication.
- Belleview hosts a Back To School Night at the beginning of the school year as an opportunity for parents to meet their child's teacher and receive information about classroom routines/expectations and grade level curriculum.
- Parents are welcome in the school and are actively pursued for volunteering. Several events are scheduled during the school year where parents have the opportunity to be involved and participate. Examples of such events include the Harvest Festival, Jog-a-thon, Bike Days, Plays & Performances, Bagel Day, Turkey Trot, School Dances, the Robotics Challenge, Nature Bowl, and many other fun activities, events and celebrations.
- Parents are encouraged to participate in committees such as School Site Council and the Parents' Club and during Public Board Meetings.
- Stakeholder input is sought for the development of the LCAP. Parent surveys are administered and analyzed to get input on school goals, activities and climate. The parent advisory group met throughout the school year to design the surveys, and ultimately make a recommendation to the Board for the development of the LCAP. An LCAP Community Forum has been held every year since 2015/16 to provide an overview of Belleview's LCAP and get parent input.
- Teachers conference with parents via telephone, written notes, email or in person and help parents with strategies

2023-24 Opportunities for Parental Involvement

for supporting school work and homework.

- Parents are able to email their child’s teacher for clarification on issues pertaining to their child.
- Parents are provided report cards at the end of each trimester that details their child’s academic progress for the school year.
- Parents receive automated phone messages and emails via "School Messenger" reminding them of important upcoming events, minimum days, important deadlines or school safety concerns, etc.

2023-24 School Safety Plan

****Amendment Note for Chronic Absenteeism Data:**** Please note the data reported from CDE and on CA Dashboard is a report error. Our 2022-2023 Chronic Absenteeism rate data is 18%, for 173 enrolled students. This is an improvement from 33% the previous year.

SCHOOL SAFETY PLAN:

The Belleview School District maintains a Districtwide Comprehensive School Safety Plan and a NIMS/SEMS (National Incident Management System) Plan. Both plans are reviewed annually and revisions are made as needed. A copy of the Districtwide Comprehensive Safety Plan is available for review in the Belleview School office and is posted on the school's website at www.mybelleview.org. The Governing Board annually reviews changes to Districtwide Comprehensive Safety Plan at the February Board Meeting. Due to the closure of school on March 18, 2020 because of the COVID-19 Pandemic, Belleview submitted a "Safe Plan for Reopening School" to the Public Health Department for review and the plan is posted on the school's website and updated every 6 months. This plan contains all the the information and protocols for reopening school safely during the world wide pandemic. In addition, Belleview has complied with CALOSHA and the Board has approved the COVID-19 Prevention Program, which is an addendum to the Illness & Injury Program and published on the school's website.

The district provided safety training for staff, including: CPR/First Aid training; COVID-19, new employee training and all custodial staff attend a yearly safety training provided by the Tuolumne JPA. Staff is trained annually on Mandated Reporter's, Harassment, Blood Born Pathogens, Pesticide and biannually for First Aid/CPR. Belleview's School Site Crisis Team received training on the Incident Command System, NIMS/SEMS Plan, staff responsibilities during a crisis, and active shooter response. Representatives from the Tuolumne County Sheriff's Department, the Sonora Police Department and Tuolumne County Superintendent of Schools Office presented an ALICE training for all staff which provides proactive strategies to respond to an intruder on campus in 2013. An Active Shooter Training was provided to all staff during inservice days at the start of the 2022-23 school year, and to the entire student body grades K-8 in January 2023. All staff complete mandatory annual training online at "Get Safety Trained" and in-person CPR training.

Safety drills are conducted monthly, throughout the year including: bus evacuation, fire drills, an earthquake drill, and an intruder/lock-down drill. The Belleview Elementary School campus has surveillance cameras at various locations on campus and in all buses.

Administration attends Safety Training annually provided by the County Office of Education, and meets quarterly with County Superintendents and County Law Enforcement in regards to Critical Incidents county-wide.

Fencing, video surveillance and upgraded LED lighting has been installed to provide a more secure campus.

Professional Development

A Leadership Team was established that met regularly and facilitated the adoption of a new Vision/Mission Statement & Core Values. The primary area of focus for staff development is on the implementation of the Common Core State Standards. The focus includes the California Mathematics & ELA Common Core State Standards. Training is provided for district-adopted ELA and Math curriculum (Benchmark, Study Sync, and Eureka Math). Professional development for the CAASPP Interim and Summative Assessments is provided. A team of teachers serves on the NGSS Implementation Team and a Math Collaborative and meets regularly with the County. Teachers in grades 4-8 are implementing the Get More Math Program and participate in training for implementation. A Webinar Training was provided to teachers for the Renaissance Reading/Math STAR 360

Professional Development

Program. On-site professional development was provided for iReady Reading and Math Diagnostic and growth-data analysis. This year, the school has worked on building a positive school culture and PD has been provided for Responsive Classroom, Trauma Informed Practices and PBIS. Belleview employs two teachers in the Induction Program and another teacher who serves as the Induction Mentor. Staff participates in training at the local county office of education and other providers. Training is provided both during the school day and after school. Ongoing professional learning communities support the implementation of Belleview's professional staff development. Teachers participated in STEM tracks and will implement the Next Generation Science Standards (NGSS). Training has also been provided for Special Education, Trauma-Informed Practices and PROACT certification. In order to prepare for the 2020-21 school year, with students on a Distance Learning Model, the teachers attended a week-long training provided by TCSOS & CUE. Students attended in person on a full schedule for the 2021-2022 and 2022-2023 school year. In 2022-2023, teachers implemented the I-Ready Reading and Math Program and teachers were trained on the assessment tool and daily learning modules.
